Dedication

MRS. CATHERINE ELBERFELD

We, the Class of 1967, respectfully and wholeheartedly dedicate our yearbook, The Cotton Gin, to you, Mrs. E. Your kindness, friendship, and understanding have influenced and helped our years at W.H.S. This dedication is but a small token of our gratitude for your hard work, patience, and unending devotion.

Administration

We, the Class of 1967, extend a cordial welcome to Dr. Edward Kelleher, who joined us as superintendent on July 1, 1966. Shown here with him are his two secretaries: Mrs. Violet Conrad, and Mrs. Richard Grip. We hope that he will enjoy his association with us, as we have benefitted from our association with him.

Congratulations on your
Graduation!

As a group you have been a fine class. My best wishes go with each of you as you leave our school and continue to grow into that stature of manhood and womanhood which will qualify you as a well respected and competent member of our adult society.

Guidance Department

Mr. Baker, assisted by Mrs. Harvey and Mr. Ballard, help the students of Westboro High School in choosing the proper courses through the high school years. During the senior year, they advise the pupils on future schooling or vocations.

To the Westboro High School Graduating Class of 1967,

It is my great pleasure and privilege to offer you the best wishes as you commence your adult life. Although our friendship has been of brief duration, I have found you to be young people of whom your community and school can be proud. As you go through life, if we at Westboro High School can be of service, please feel free to call on us.

Happiness Is . . .

having a slim, dark eyed Brazilian with us for our last year at W. H. S. Always ready to join in on the action, Flavia Torreao - our exchange student - has shared both the work and the good times of the class of '67. We hope that she has enjoyed being here as much as we have enjoyed having her, and our only regret is that she could not have stayed here longer. She has added the final touch to our years at W. H. S. and is a welcome part of our Senior Story...

Education Is Experience.
We Know There Are Books and Seemingly Endless Hours Of Study . . .

but there is more.
Beyond the confines of worn bindings,
broken pencils, and empty pens . . .

We Found Another Life At W.H.S.

This Life Also Involved Hard Work . . .

But The Results Were Rewarding.

Although Sometimes They Were Not
What We Hoped For . . .

Remember the Buddha?

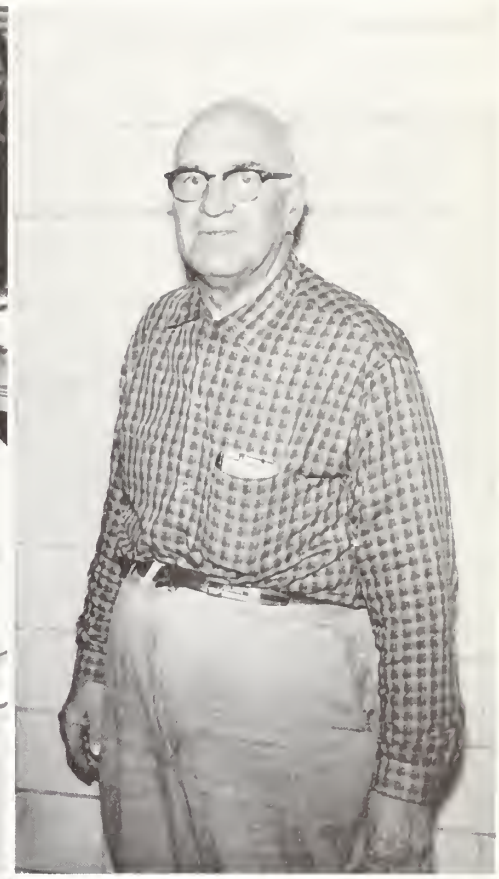
. . . Our Many Victories Made It Easier To Accept Our Few Disappointments.

In Many Respects Our Senior Year Followed Tradition . . .

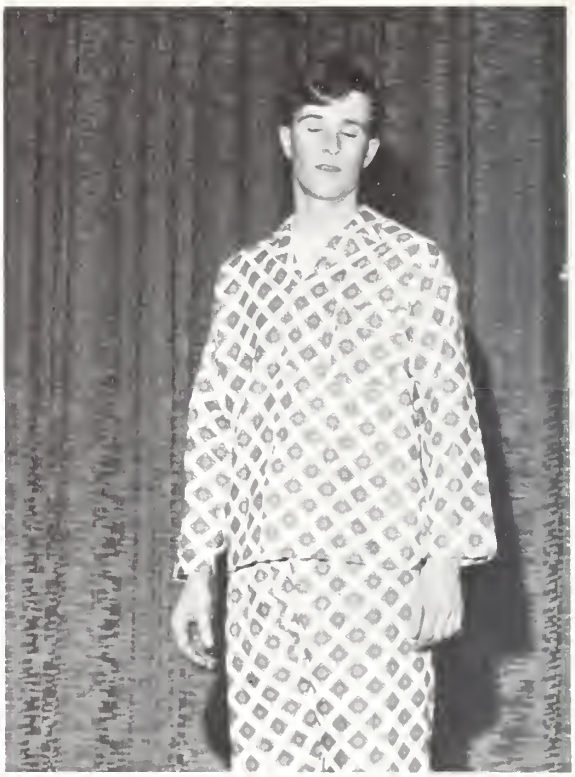
But Our Class Also Showed A Touch Of Creativity.

We Might Have Even Tended To Push Things A Bit.

Our High School Years Have Gone By So Fast, Yet, They Will Always Be A Memorable Part Of Our Lives. Can We Ever Forget . . .



Our High School Years
Have Awakened
Within Us . . .



An Urge
To Further Define
Our True Identity

But, As We Leave W.H.S.,
We Realize
That One Can Never
Say Good-Bye
To Things Already Felt.
